AZURE BREEZE

Golf Resort

This resort is located in Torre del Rame in Los Alcázares (Murcia), a privileged area due to its Mediterranean climate. The proximity to the beaches and La Serena golf course, make **Azure Breeze** an exclusive residential with a wide range of leisure and recreational options.

Thanks to the easy access from the AP-7 motorway, which facilitates its connection with the entire Mediterranean coast, you will be able to enjoy the diversity and beauty of this region. Its proximity will also allow you to have a wide variety of services (supermarkets, shops, sports and leisure centres, schools, chemists, etc.) without necessarily giving up to a quiet and safe residential area.
