A natural retreat to
reconnect with your
true essence

Welcome to Las Colinas Golf & Country Club
Welcome to a world apart

LAS COLINAS GOLF & COUNTRY CLUB

Where *simplicity*
meets luxury in an
unparalleled setting

Where refined simplicity and timeless luxury coexist in perfect harmony.

This prestigious resort on Spain's Costa Blanca embodies excellence, refinement, and meticulous attention to detail.

Nestled within a 330-hectare valley, embraced by rolling hills and nature, **Las Colinas Golf & Country Club** offers gated access through a majestic palm-lined canyon, an oasis of privacy and peace of mind. The entrance opens into a valley where the golf course merges seamlessly with the landscape.

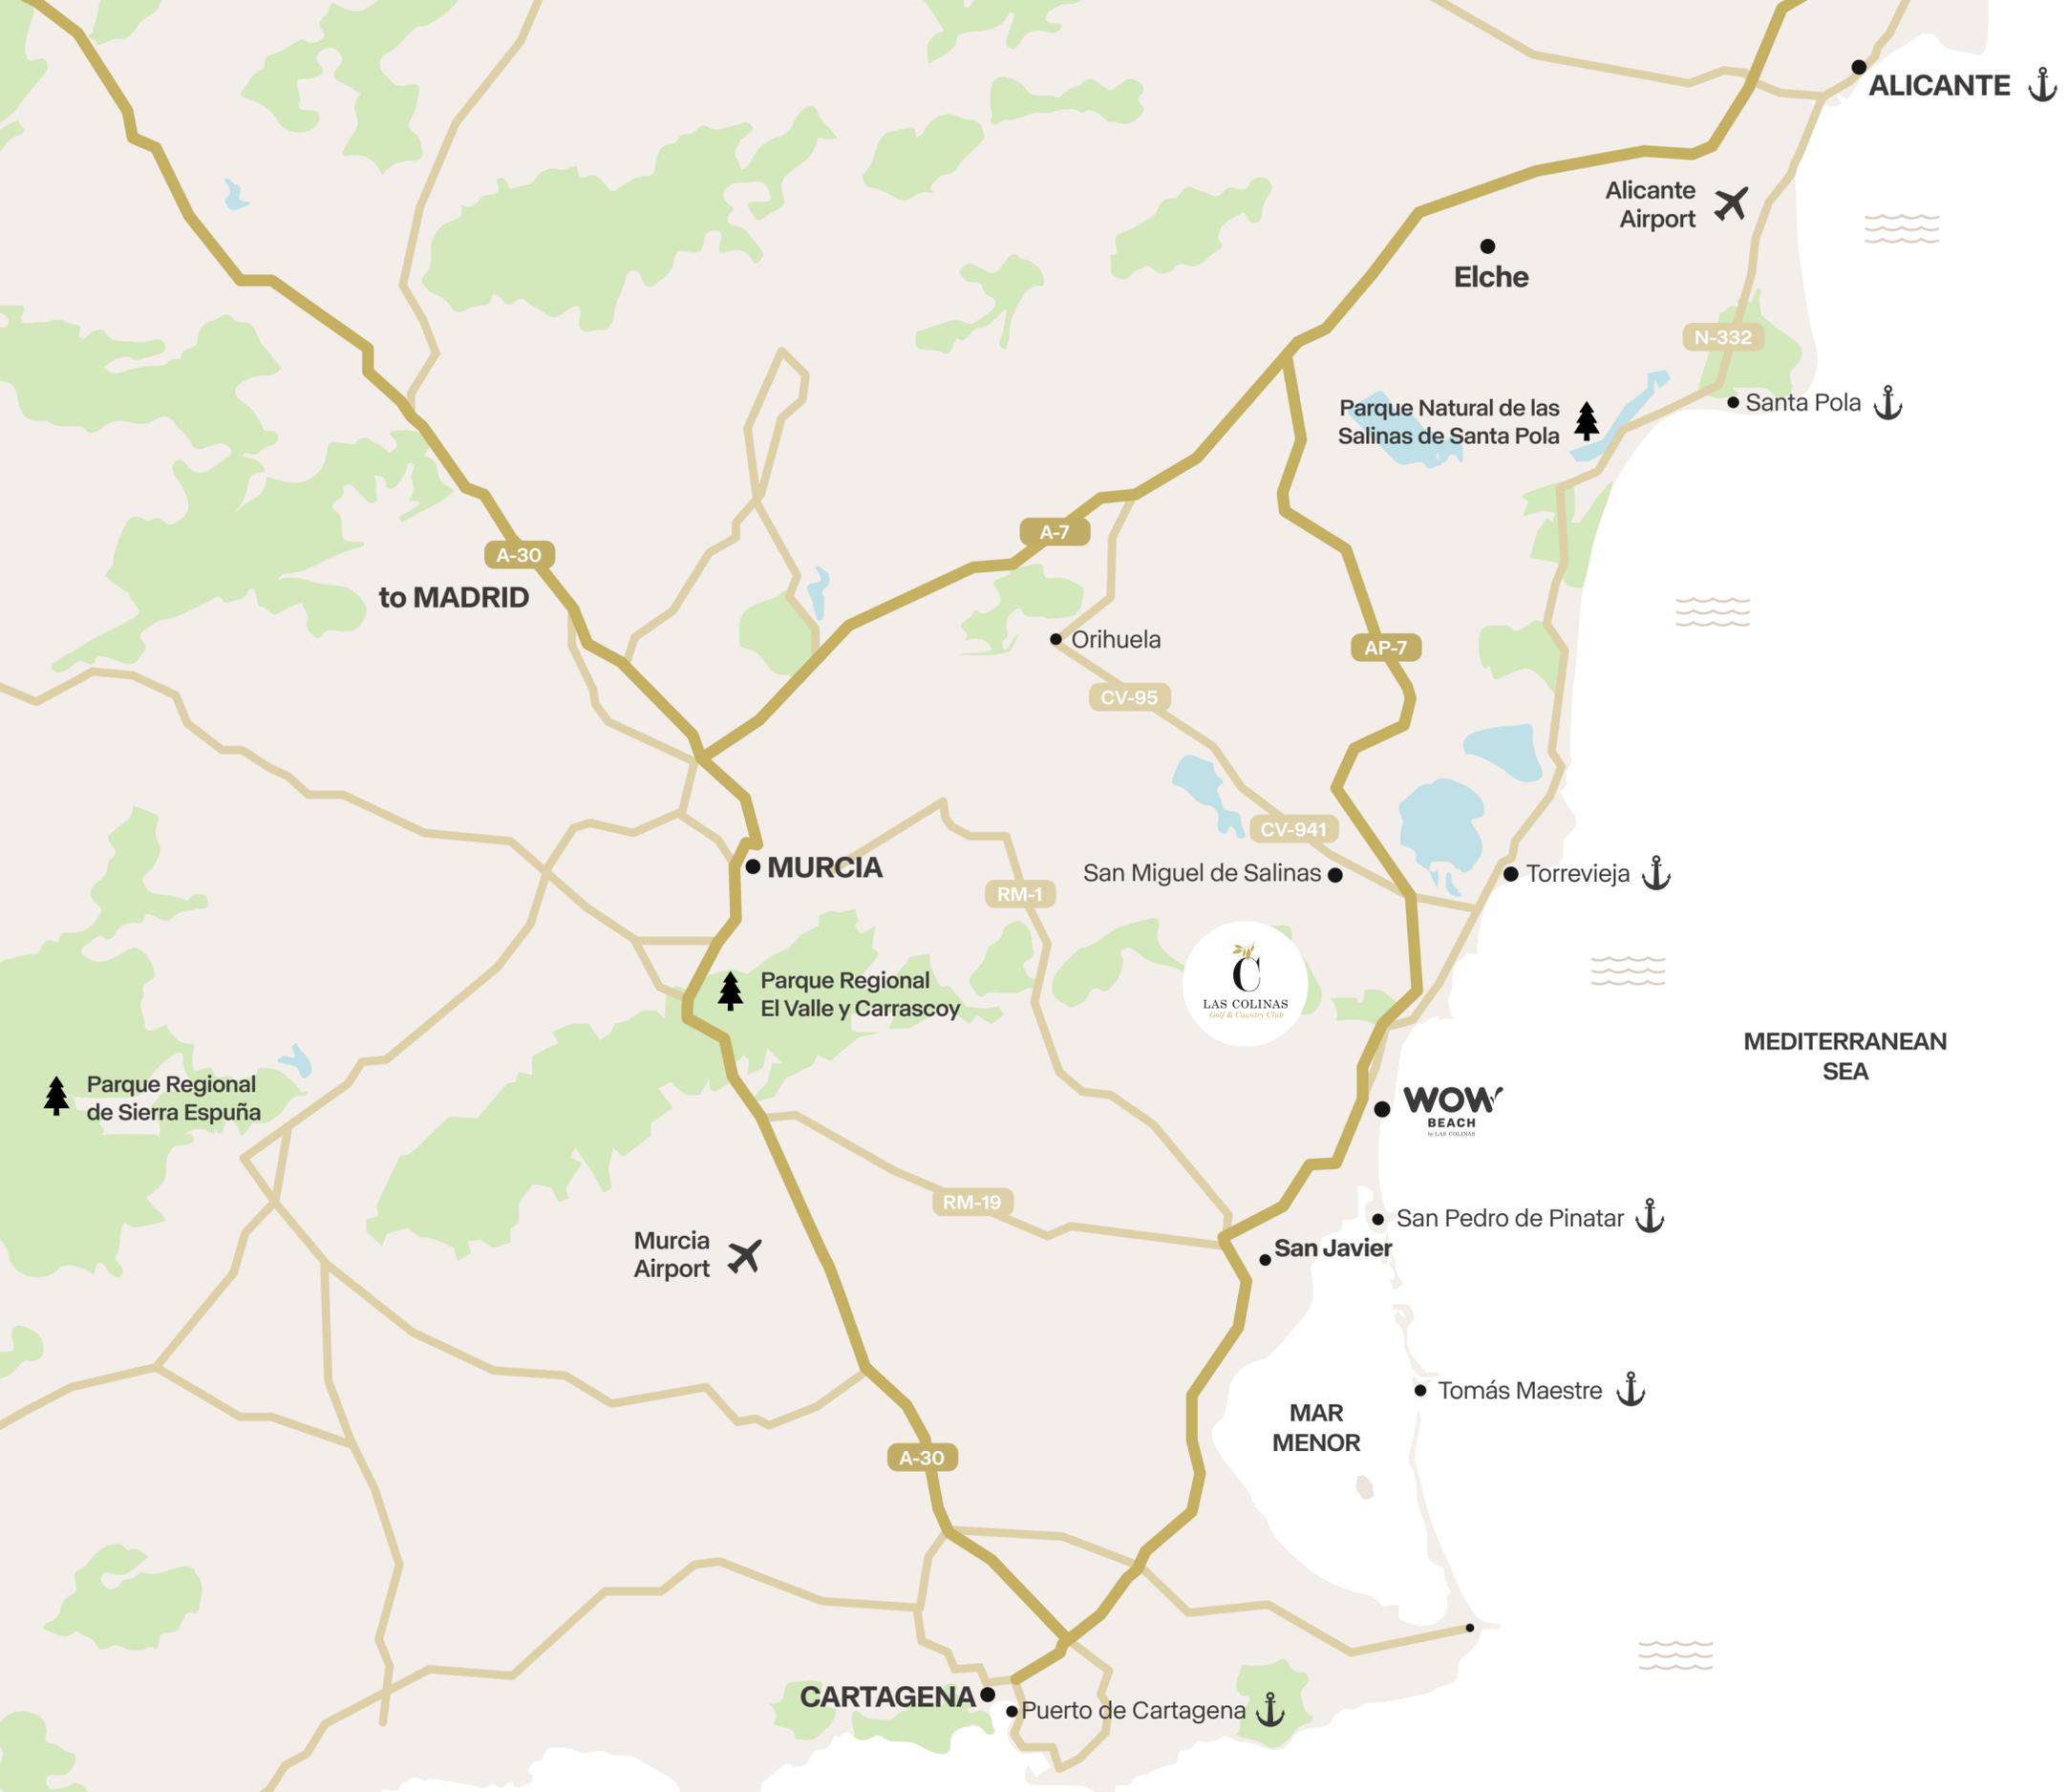

Surrounded by a protected natural park spanning more than **10,000 hectares**, the resort itself boasts over **200,000 m²** of preserved Mediterranean landscapes, this haven captures the very essence of the coast. With more than **300 days of sunshine** each year, outdoor living is not just a privilege, it's a lifestyle.

At Las Colinas Golf & Country Club, every home is thoughtfully integrated into its natural setting. Exclusive communities rise gracefully around a **championship golf course**, where playing transcends sport to become a true art form.

Ideally located in the south of Alicante, just 4.5 km from the Mediterranean shoreline, **Las Colinas Golf & Country Club** enjoys seamless connections by air, road, and high-speed rail.

By air

Alicante International Airport, 50 minutes.
Murcia International Airport, 45 minutes.

By road

Arranged across two elegant blocks, the Citrus Apartments offer **2 and 3 bedroom residences** with expansive terraces and private gardens, framing spectacular views of the golf course and the Mediterranean Sea.

Among its spaces, the carefully **landscaped gardens and two swimming pools —one of them heated—** stand out, inviting relaxation and enjoyment throughout the year. Each residence also includes a private parking space and storage room, ensuring impeccable functionality and everyday comfort with style.

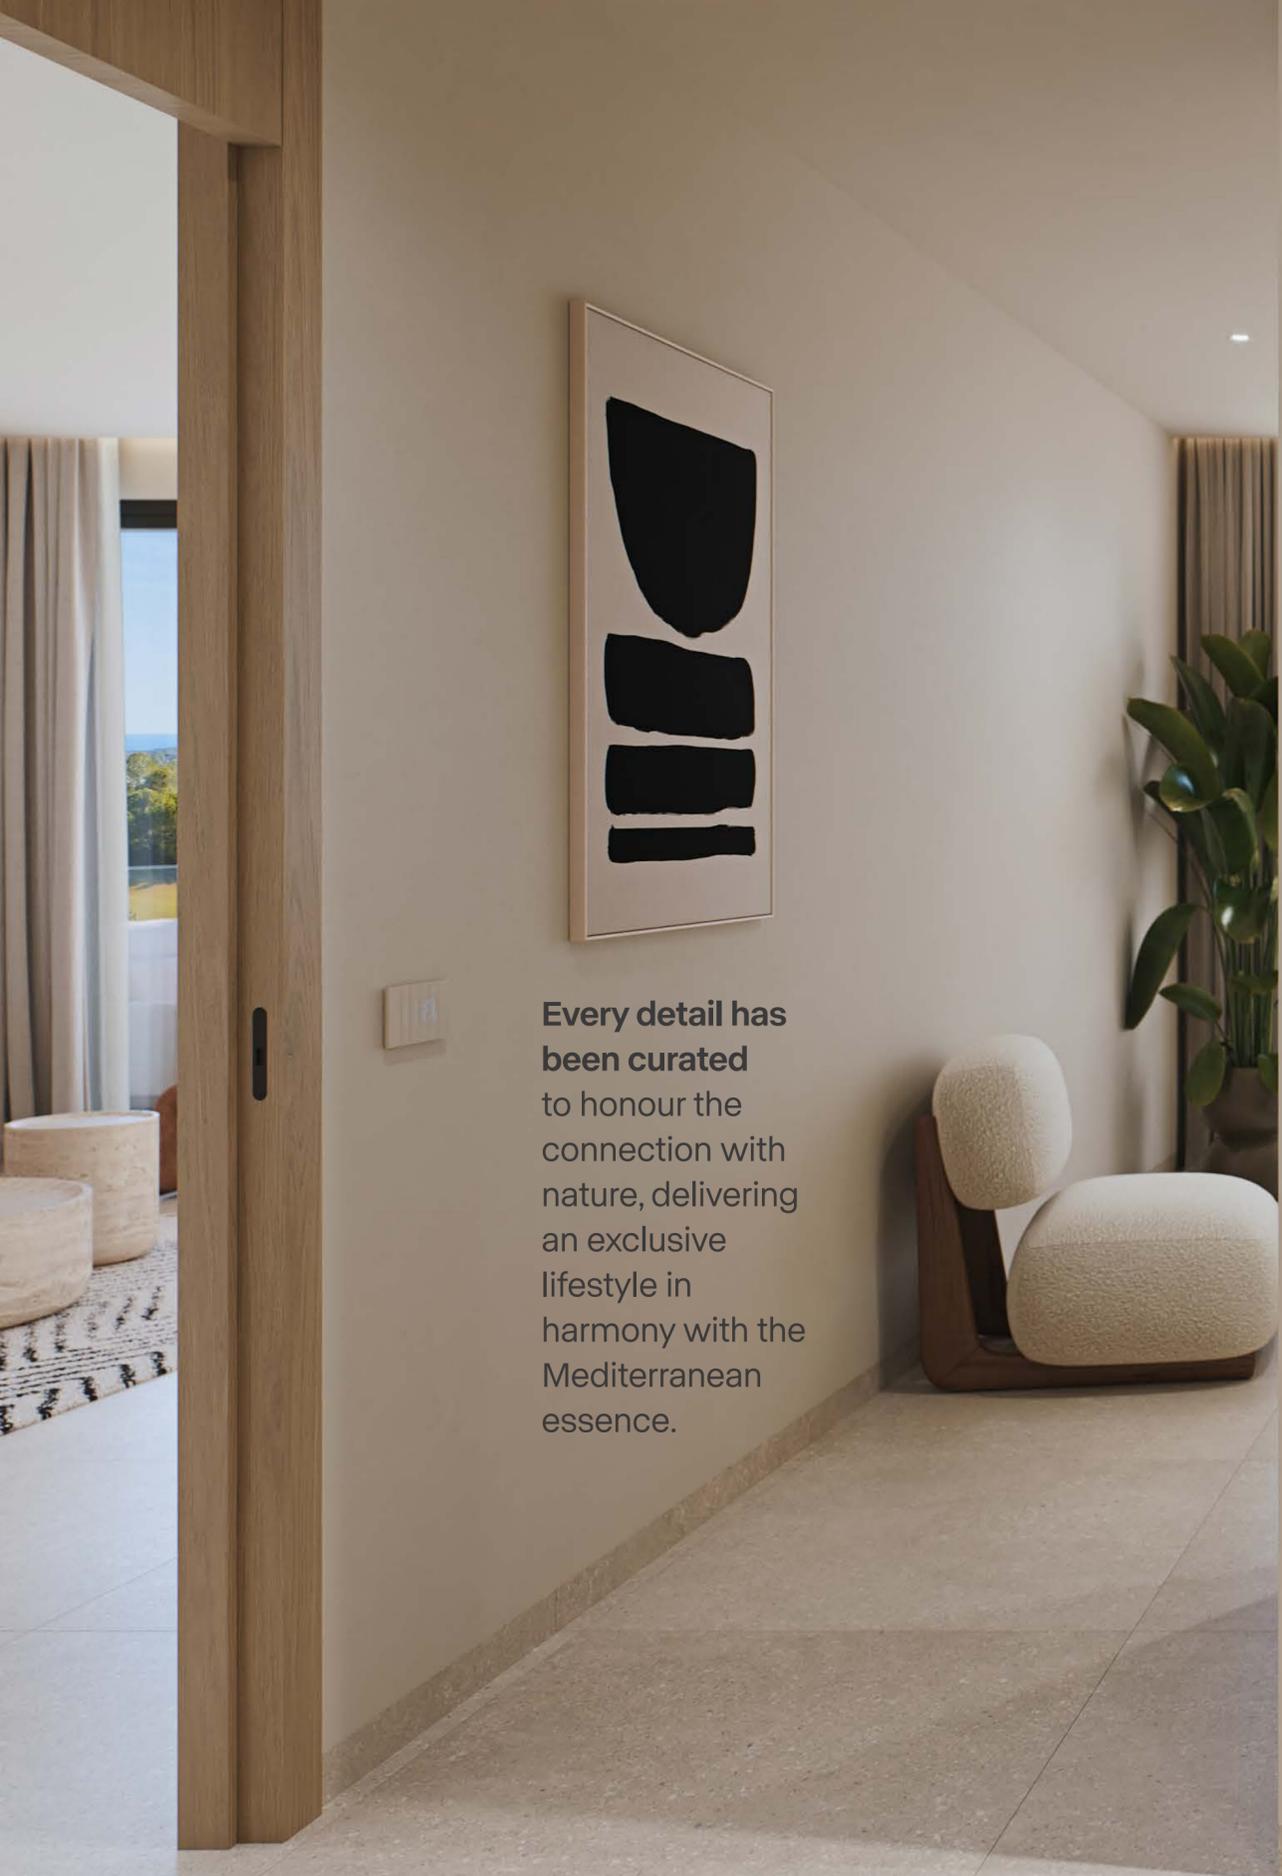

Surrounded by landscaped gardens, the Citrus Apartments invite you to embrace sun-drenched days and serene moments in nature. Here, luxury meets the Mediterranean climate in exquisite balance, offering **spectacular sea and golf views and sunrises** that awaken the senses.

The design of Citrus Apartments is a sophisticated fusion of contemporary style, Mediterranean warmth, and **nomadic inspiration**. **Natural materials, soft tones, and minimalist lines** create interiors that are both elegant and welcoming, each residence a unique reflection of authenticity and serenity.

Every detail has been curated to honour the connection with nature, delivering an exclusive lifestyle in harmony with the Mediterranean essence.

Designs to fall in love with
*Mediterranean
sophistication*

The Citrus Apartments embody a delicate balance between simplicity and natural elegance, between minimalism and richness of detail.

Architect

Adoras Atelier

The architectural vision of Adoras Atelier reflects a commitment to contemporary, functional design that is both refined and deeply respectful of its surroundings. Their philosophy prioritises **liveable elegance**—where **efficiency, beauty,** and **well-being seamlessly** converge, always in **dialogue with the landscape**. Light, natural materials, and integration with the environment are central to each project. Longstanding collaborators with Las Colinas, Adoras Atelier has elevated the resort's residential portfolio with timeless architectural works.

Interiorist

Mediterranean Nomad

Their interiors, envisioned by renowned designer Silvia Bellot of the innovative studio Mediterranean Nomad in Jávea, blend Mediterranean spirit with a nomadic, contemporary edge. **Natural materials, warm palettes, and minimalist lines** create spaces that are refined yet inviting. Each design weaves together Mediterranean influences and global inspirations, evoking a **cosmopolitan lifestyle** in perfect **harmony with nature**.

Landscape Architect

José Luis Romeu Lamaignère

Landscape architect José Luis Romeu Lamaignère brings a unique sensitivity to outdoor spaces, crafting gardens that converse with architecture and nature alike.

His designs **blend botanical expertise** with Mediterranean authenticity, creating green sanctuaries that embody **identity, harmony and serenity**.

Quality specifications

STRUCTURE

Reinforced concrete structure, built in full compliance with the “Structural Code” and current regulations, ensuring strength and durability.

ROOF

Non-accessible flat roof, consisting of a high-quality waterproofing and thermal insulation system, protected by a final finish of washed gravel.
